RED Abstract of [REDACTED]

BRIEF REPORT ON THE LEW PLANT HENNIGSDORF (1 p; German; [REDACTED])

25X1A

25X1X

This report consists of a photostat of a brief report on the LEW (People-Owned Locomotive Construction and Electrical Goods Plant) Hennigsdorf, giving information on planned and actual monthly production, as well as production since the beginning of the year, in Deutsche marks and in percentages of plan fulfillment. Mark values for planned reparations, reparations quota fulfillments, and the status of investments are also given, broken down by months and by buildings and machinery. Figures are given (in Deutsche marks) for capacity utilization. The report also mentions that there are difficulties in selling ticket-printing machines and welding machines.
